Disclaimer

This report illustrates estimates of cost and benefits for the Civil Service Retirement System (CSRS) or the Federal Employees Retirement System (FERS), Federal Employees Group Life Insurance (FEGLI), Federal Employees Health Benefits Program, Long Term Care (LTC) Insurance, Social Security System benefits, and the Thrift Savings Plan (TSP). Some estimates are based on assumptions, which may affect the results, and may differ from actual experience. Since future costs and benefits cannot be projected with absolute certainty, you should not base your financial decisions solely on the estimates of this report, and it is recommended to consult with your personnel office or the Office of Personnel Management (OPM), Retirement Information Office 1-888-767-6738. The purpose of this report is to provide you with the necessary information so that you can develop a clear understanding of key Federal Employment benefits:

- A. Your Federal Employees' Group Life Insurance (FEGLI)

- B. Your Federal Employees Retirement System (FERS) benefits
and

On the following pages you will find an explanation and illustrative summary of your present insurance program, future retirement options, and Thrift Savings Plan. You will also find a comparative illustration which shows cost summaries of your present programs and any optional life insurance chosen for your consideration. For more detailed information on the optional plan(s), refer to the complete illustration of life insurance policy benefits and premiums that has been prepared by My Federal Benefits, Inc. and included in this report.

Estimates of benefits and costs for Federal Civil Service Employees within this presentation are based on assumptions which affect the results and may differ from actual experience.
